Dear Supervisors:

**AMENDMENT NO. 1 TO LEASE NO. 71917
DEPARTMENT OF PUBLIC SOCIAL SERVICES
4680 SAN FERNANDO ROAD, GLENDALE
(FIFTH DISTRICT)
(3 VOTES)**

SUBJECT

An amendment to eliminate the cancellation provision in exchange for a reduction in the purchase price under the existing lease purchase option for the 80,000 square foot office building, and parking structure occupied by the Department of Public Social Services.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the lease is categorically exempt from the provisions of the California Environmental Quality Act pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board per Section 15301 of the State of California Environmental Quality Act Guidelines (Existing Facilities).
2. Approve and instruct the Chairman to sign the lease amendment with Chase Glendale Services, LLC (Lessor) to remove the cancellation provision and reduce the purchase price for the 80,000 square foot office building, and parking structure located at 4680 San Fernando Road, Glendale, occupied by the Department of Public Social Services.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department of Public Social Services (DPSS) has occupied the 80,000 square foot office building and parking structure (Facility) since September 2000, and the initial term will terminate in September 2025. The Facility functions as DPSS' Glendale District office, serving the Glendale, Burbank, and La Canada-Flintridge geographic area. DPSS provides CalWORKS, Cal Fresh, Medi-Cal, General Relief, and Refugee Employment programs at this location. The Facility is occupied by 362 DPSS staff, 22 contractors, and 10 security personnel for a combined total of 394 occupants. The parking structure provides 404 parking spaces and free street parking is also available.

The proposed amendment is in response to the Lessor's request to eliminate the right to terminate the lease currently held by the County of Los Angeles (County) under the existing lease. Lessor wishes to refinance the existing loan to reduce the interest rate and has submitted a written request to remove the cancellation option in exchange for a reduction in the option purchase price. Substantial savings will be achieved when the purchase option is exercised at the reduced price as proposed in the amendment. DPSS administration has reviewed the Lessor's offer, and provided clearance to proceed with the proposed amendment. As information, the County intends to exercise the purchase option at the expiration of the original term.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan Goal of Fiscal Sustainability (Goal 2) directs that we strengthen and enhance the County's capacity to sustain essential County services through proactive and prudent fiscal policies and stewardship. The proposed lease amendment supports this goal by fostering a more prudent financial arrangement for the County to exercise a purchase option at a reduced price. The proposed lease amendment is in conformance with the Asset Management Principles as outlined in Attachment A.

FISCAL IMPACT/FINANCING

The reduction in purchase price provides a savings of approximately 9.85 percent in the amount of \$1,233,800 at the end of the original term. The proposed amendment reduces the option purchase price from \$12,525,000 to \$11,291,200 at the end of the original 25-year term. The option price is reduced from \$6,412,000 to \$5,991,505 at the expiration of the first five-year option period, and is further reduced from \$3,307,000 to \$3,100,957 at the expiration of the second five-year option term. Attachment B is an overview of the lease costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed lease amendment includes the following provisions:

- Deletion of the cancellation option now available on or after September 11, 2015, upon one-year prior written notice.
- The reduced option purchase price is as follows: \$11,291,200 at the expiration of the original 25-year term; \$5,991,505 at the expiration of the first five-year option period; and \$3,100,957 at the expiration of the second five-year option period.
- Lessor will pay in full, for any remaining cost of the solar panels, at the time of the County

purchase of the Facility. The solar panels are the Lessor's property and will become the County's property upon exercising the purchase option.

ENVIRONMENTAL DOCUMENTATION

The CEO has concluded that this lease is exempt from California Environmental Quality Act (CEQA) as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board, and Section 15301 of the State SEQA Guidelines (Existing Facilities).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease amendment will provide significant savings for the County, and DPSS concurs with the proposed recommendation.

CONCLUSION

It is requested that the Executive Office, Board of Supervisors return three originals of the executed lease amendment, two certified copies of the Minute Order and the adopted, stamped Board letter to the CEO, Real Estate Division at 222 South Hill Street, 4th Floor, Los Angeles, CA 90012.

Respectfully submitted,
